BOAT AND COUNTRY CLUB

Annual Dinner at Sterling Forest Hotel — Herbert Lloyd Presents Galaxy of Keith Vaudeville "De Looks."

The annual dinner of the Greenwood Lake Boat and Country Club was held Saturday evening at the Sterling Forest Hotel, with a large attendance of members, their families and friends.

The dinner provided by manager Kellerman was excellent, a credit to the house.

Henry E. Chapin, retiring Commodore, presided, and stated that at the afternoon business meeting the matter of acquiring a permanent home for the club was discussed with the understanding that if no purchase was made before January 1st next, the club would avail itself of the temporary club quarters offered by Mr. Herbert Lloyd at St. Helena for the current year.

A check from Mrs. Chapin, Sr. for \$100. was acknowledged as a starter for the club building fund.

The entertainment following the banquet was in charge of Mr. Herbert Lloyd, the artists being personal friends of his secured from Keith vaudeville "De Looks", including Al Allen of Allen, Taylor & Barber; Mr. and Mrs. Leonard Fries, Arthur Lloyd, "The Human Card Index"; Miss Florence Carroll, premier toe dancer, and Prof. Winsel, whose solos on his beloved bass viol were of a high order.

The program was one of the best ever presented at the lake and Mr. Lloyd was given three hearty cheers for corraling such a fine array of talent. Mr. Arthur Lloyd, (no relation of Herbert,) mystified all with his ability to produce a printed card requested by the audience; the character songs of Allen and Fries were mighty clever; and the crowning feature, Prof. Winsel and his bass viol solos, were all greatly enjoyed.

The wonderful floral and paper decorations were conceived by Mr. Herman Ganss.

The Greenwood Lake Boat and Country Club has a membership of about one hundred. A drive for new members will be made the coming year.

The new officers of the club are: Lewis P. Frasher, commodore; Benjamin W. Fryer, vice commodore; F. H. Price, rear commodore; James B. Stephens, secretary; Robert L. Root, treasurer.

The trustees are Grosvenor K. Gleen, John J. Hopper, Jr., Arthur R. Koch, Herman O. Ganss, Daniel O. Towl and H. E. Chapin.

The Ladies' Missionary Society of West Milford Presbyterian Church held a picnic on the Deyoe waterfront at Lakeside on Wednesday.

Mrs. Wm. B. Smith of Newark, N. J. and Mr. Raymond Munkelt of Pearl River, N. Y. were the guests of Mrs. Wm. Rehberger for the past week.

BIG DANCE TO-NIGHT

This is the banner night of the season at The Brandon House Dancing Pavilion. The annual dance and cake sale for the benefit of the Church of Our Lady of the Lake at Sterling Forest will be held this evening and it is expected that visitors from adjoining towns as well as the many vacationists and residents here will enjoy the program. A royal good time is assured to all who attend. The committees have worked hard to make this entertainment a success and they have received the hearty cooperation of all, and it is certain to be a great success. The nominal admission of 50c will be charged. At The Brandon House Pavilion this evening. Good Dancing, Wonderful Music.

SPORTS EVENTS AUGUST 30

The final aquatic contests and events of the season, under the auspices of the Greenwood Lake Boat and Country Club will be held at The Woodlands on August 30th at 3 p. m. and in case of rain events will be held Labor Day. There will be swimming races, canoe races, diving contests, canoe tilting match and kicker race.

HERBERT LLOYD RECEIVING GIFTS OF STONES

The following friends of Herbert Lloyd have responded to his request for a rock for the "Friendly Fireplace" in the new St. Helena Club House: Mr. Batz, Church of the Good Shepherd, Mrs. Annie Cyphers, Evelyn Conomos, Bill DuPree, Mr. Ecerling, C. W. Fredman, Mrs. Freese, G. W. Green, Peter Howell, Charlie Hunter, A. R. Koch, Harry Kane, Manny McClud, Chris. Meister, Mrs. John Maiturn, Jack Maiturn, Matt & Helen, Harry Quackenbush, Lan. Ryerson, Jake Roosa, Chas. Rogers, J. W. Turner, Warwick Auto Co. and Frank Wells.

Mr. Lloyd would appreciate if others of his friends would respond. If they will phone him he will call for the rock.

(Editor's Note.—It would be very nice if some of the larger school children would each get a rock as Mr. Lloyd is always liberal with them.)

FISHING NOTES

Frank Crosson took a day off last week and with William and Charles Blesch went fishing. Their total catch numbered nine.

Harold S. Close, Vice-President of the Galloway Hardware Co. of Middletown, caught a beautiful salmon lake trout on Monday, fishing with crawfish about 15 ft. off the Windermere dock. The fish measured fifteen inches.

Fred Curtis, who has had poor luck all summer, has finally been rewarded with a good size Oswego, which he caught in the east arm on Monday.

Miss Mary Alvin of Pittsburgh is a guest of Miss Dorothy Fryer.

PERSONAL-SOCIAL

William Richardson of Arcola is visiting Mrs. Charles Avolo.

Miss Mary Coyle of Great Neck, L. I. is visiting the Misses Mary and Lillie Roberts at The Milford.

Mr. and Mrs. A. R. Koch entertained a house party over the last weekend. Among the guests were Mrs. Gietz, Mr. and Mrs. Harry Allen and son, Kenneth, and Mr. Paul Koch of Brooklyn.

The popular Werner-Amoros trio will open their season engagement at Toronto, Canada on Sept. 6th and work on the Western circuit. These young men are remarkable musicians and their beautiful interpretations are frequently enjoyed by visitors at The Bureau, when they are practicing at Hazen Cottage across the street.

Mr. and Mrs. Thomas Dodd of Monroe are visiting at the Galloway Cottage in Greenwood Park.

Mrs. Emily H. Clark of Ashland, Kentucky, and Mrs. K. Clements of Freeport, Long Island are guests of Mr. and Mrs. C. A. Clark. Mrs. Clark says this is one of the most wonderful spots that she has ever visited, notwithstanding the famous hills of Kentucky; Mrs. Clements is one of the leading spiritualist mediums of New York City and is enjoying a much needed rest here. The ladies are enjoying a taste of tent life.

Martin Polesik, George Erkman and N. E. Fitzgerald of New York are at Camp Gamma, Sterling Forest. The boys rode here on their bikes. They had the thrill of their life Sunday afternoon, when lightning struck two trees within fifty feet of their camp.

A Johnson motor, which had fallen off Miss Dorothy Greene's boat near Lakeview last week, was recovered by Mr. Ellis, a guest at St. Helena, after it had been in the lake for three days. It took considerable skill to locate and get it out with an improvised grapple made out of a rake.

Mr. George Terwilleger of Wyckoff, N. J. is spending the week at Camp Maidie.

Mr. and Mrs. Franklin Harris and Master Franklin, Jr. were here last week for a short visit, staying at Mountain Side Cottage. Mrs. Harris was formerly Miss Emma Salmon who spent many summers at Greenwood Lake and was very popular and still has many friends here.

Some choice apples from the farm of J. B. Tannery, Jr. of Monroe, N. Y. were received at The Buzzer Office last week.

The Bureau register helps your visiting friends to locate you. Don't forget to register.

Mrs. Polcsik and son, John of New York have been spending a few days here. Mrs. Polcsik conducted the Glenwood Inn and also the Woodlands Hotel for one season a few years ago.

About one hundred and seventy-four dollars were realized at the Methodist Church Fair, which was held in the Parish House last Saturday.

WATER EDGE VILLA

Rainy weather has not put down the spirits of those stopping at Water Edge Villa.

Last Saturday night the entire crowd attended the dance at the Brandon House, and a good time was had by all. Upon the return of the crowd Mr. and Mrs. Junge served hot coffee and sandwiches and other things too numerous to mention. Then a little comedy drama party was put on entitled, "Who Stole Joseph's Coat of Many Colors?" Story written by Doris Selig.

Special permit was obtained from police department and fire department and passed by the National Board of Censorship—W. J. Bryan. Then the hat was passed for a collection which amounted to six dollars. Therefore we figured the play a huge success; proceeds was to purchase lubricating oil for those suffering with dry tonsils for the sick ward of Water Edge Villa.

Due to a heavy date the flappers were unable to attend but promised to be on time for meals hereafter. It's been reported that due to Mrs. Junge's substantial meals, Mickey Finneran has gained 12 pounds—result, a broken diving board.

Last night the sun dodgers secured considerable material for fishing and wish them luck. Namely, Mr. and Mrs. Rider of Long Island, and Mr. Rone and Miss Dorothy Reinhardt of Brooklyn.

An Investment In LARRABEE TRUCKS

will bring you constant returns in lower haulage and delivery cost, greater satisfaction, better service and freedom from the annoyance of frequent repairs. The reason you see more LARRABEE TRUCKS on the road every day is because we have delivered 87 Larrabees since January 1, 1924. We are receiving more repeat orders every year, and have never had a used Larrabee for sale.

Why Not Cistern Water Under Pressure? Just Like City Service

Now, the new, low-priced Fairbanks-Morse Home Water Plant makes it easy for you to have soft water under pressure in bathroom, kitchen and laundry, at the turn of a faucet. It saves all of the drudgery of pump and pail. It makes your cistern doubly useful. And when this Fairbanks-Morse outfit is installed your expense is ended. It has the genuine Fairbanks-Morse pump, world-famous for dependability. The operating cost is only a few cents a week. Whatever your requirement there is a Fairbanks-Morse system that will exactly meet your needs. They are made to operate with electricity, gasoline or kerosene. They pump from cistern, shallow well, spring, lake or deep well. Let us give you a demonstration and prepare an estimate on a complete installation. No obligation, of course. Just phone us now.
